Dear Parents,

Semester 2 is underway, welcome back. It has been so nice to see students and staff catching up after the holiday break. I hope that all families had a relaxing time and that everyone is looking forward to another term full of new and exciting learning opportunities. I extend a very special welcome to Kira (Year 3) and her mother, Shontel, who have recently moved to the area. It is great to see our enrolments grow, with our total enrolments now at 30 students!

## 3D PRINTING WORKSHOP

In weeks 2 and 6 we will be hosting a number of teachers from across the Southern Yorke Peninsula for a 3D printing workshop. The 2 days of training is a commitment to take part in a 3D printing showcase event towards the end of the year.

CPS students will have an opportunity to learn about 3D printing with Mrs Clifford and use the Makers Empire program to design a solution to the problem that they identify.

## TREE PLANTING AND COOKOUT

On Wednesday we had cookout. I was in Jacob's group with Kyle, Charlie and Jasmine.

First, we walked up to the parklands. Then the council talked to us and told us that there were some new gaurds. Once they had stopped we gathered all the things that we needed. I carried the potting mix. It was not heavy.

Once we had started, I could not find a spot with no rocks and I got very hot. Mrs Clifford helped me to plant a spikey plant. When we were finished it was time for recess. For recess I had five crackers with cheese. They were delicious.

After recess, we had cookout. For my first dish, I had three sausages in bread with sauce. The sausages took a long time to cook. Then for dessert we had damper with chocolate chips mixed in it. It was delicious! After that we melted some chocolate in Jasmine's saucepan, then we dipped marshmallows and strawberries in it. After 3 plates of this, I felt full. Then it was time to pack up and go back to school.

I hope we can do this again next year.

On Cookout we melted chocolate and marshmallows. We had fun together at cookout and tree planting. We did tree planting. Ava and I couldn't find a spot to dig a hole without any rocks.

-Grace Roocke

I planted a lot of trees. I had a burger and chocolate with strawberries.

-Alexis Leong

I planted some trees. Then I went to recess. I got my water bottle out. I had some bacon.

-Ruby Peterson

When I was tree planting mum and me planted ten trees. When we were at cookout we had lots of marshmallows.

-Charlie Kelly

I planted a tree. I had a marshmallow.
