## ATTACHMENTS

- N/A

Dear Parents,

What a wonderful first 5 weeks of term- I get excited recalling all of the great learning opportunities that have happened! Footsteps Dance with Stansbury PS and a session on Stamp Collecting from Australia Post have been valuable additions to our school program.

Lucy and Olivia were away for 3 days in week 3 for training and development in the area differentiation and so we were very grateful to have had the services of Mrs. Procopis and Mrs. Castiglia.

Huge thank you to all of the parents and volunteers who continue to support our school throughout the week and on 'special days'.

Student Support Officers

## RECOGNISING OUR WONDERFUL SSO'S

This week, we are celebrating our wonderful ancillary staff.

We appreciate and acknowledge the essential and valuable support provided by our SSOs in the classrooms, special programs, working with children with special needs, challenging behaviours, finance, maintenance, grounds, front office, administration, ICT, network management and library.

We thank them all for the positive impact they have on our students and our school. They make such a positive difference to our student's learning and the successful delivery of services to our school community.

We would like to thank the following SSOs and support staff for all that they do. We have a great team.

Sharron Kennedy      Janette Clarke      Odette Forrest      Pasty McBurney  
Tony Bates      Ben Braund      Helen Power

#### WORKING BEE

A big thank you to all of those who came out on Sunday to help with our playground working bee. Not only do the grounds look great, but they are a lot safer for the students at CPS.

#### HEAD LICE

Please check your child's hair regularly.

At the end of last week head lice were detected at school. If your child has head lice it needs to be reported to school. Hair must be treated immediately. It is important to ensure that long hair is tied back or put up.

Thank you for your assistance with this matter.
